

Meet Bishop Stanley M. Williams

The *Next Generation* of Prophetic Bishops

Bishop Williams is at the forefront of the next move of God as a prophetic voice to the body of Christ. What is the direction for the church today? God has summoned us to tread in uncharted waters and to fulfill His will in the earth. It is only possible for the body of Christ to experience life overflowing with abundance and blessings if we live according to God's vision for the body. Now more than ever before, the church must embrace its role in Igniting Vision, Imparting Wisdom, and Fulfilling Promise.

Igniting Vision – Learn what God desires of His People and what He desires for His People. This next generation of Prophetic Bishops should have insight and direction for economic, social, moral, and spiritual issues.

Imparting Wisdom – Not only do believers need to possess intimate knowledge and awareness of God's will; the church needs prophetic direction and guidance in how to live a prosperous, successful life according to the will of God.

How do we gain insight and direction to assist the body of Christ to take purposeful and deliberate actions to maintain integrity and commitment to God's will? How can believers accomplish God's will more efficiently? What actions can we take to make the greatest impact upon the body of Christ today? These are some of the issues that we must address.

Fulfilling Promise – Once the body of Christ truly embraces God's will and walks in obedience, God fulfills His promise to prosper us. How can we lead God's people to succeed in life and to accomplish God's will in the earth?

By Way of Prophetic Insight by the mouth of God's Prophets.

A Prophetic Word for the Body of Christ

This is a prophetic word for the Body of Christ that came forth before going into the year of 2008. This prophetic word will impact your life in 2008 and continuing for the next seven years. God is manifesting all of your desires by faith. Yes, we can all see and read about what is happening in America and around the world. However, God has given me a now word for his people, a word that has the power to impact the year of 2008 and beyond. The Body of Christ does not have to experience or go through what is happening to non-believers in the world. As believers, we should not expect to be hindered by the economic conditions of the United States.

GOD'S PROPHETIC WORD TO THE BODY OF CHRIST:

The bible says *"Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets."* Amos 3:7

One of the first things the people of God must do is to define their season. You must not allow television, radio, and the print media to define your season of increase. Without defining your season of increase, you will not be able to hear prophetically from God. This is a time when the people of God should expect a prophetic word to come from the mouth of his prophets. Prophetic words carry the ability to create moments and events that will cause you to propel to higher levels of increase.

If God's people will begin to hear Him as we move through 2008, there will be a release of hidden treasures in the church. God says, there are treasures in darkness and I am ready to send my people into dark places to make withdrawals.

And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name, am the God of Israel. Isaiah 45:3

In 2008, I will begin increasing my people over the next seven years. Following the years of increase, you will see famine, but you do not have to taste it. I will open 12 streams of new income for those who make a decision to prosper in 2008. God says, He will be the government that will satisfy the loss in the economy to meet the needs of His people. You will see wealth where others see waste. Because others will not believe, there will not be competition says the Lord.

In the second half of the year, I am sending a second wind to the Body of Christ. Even as a runner gets a second wind, a sign of this wind will be a mighty spirit of deliverance. All over the country you will hear about great occurrences of deliverance. I will also release another spirit of restoration for prayer. Prayer will be restored in my house and major miracles will be seen in 2008 going into 2009 says the Lord.

God will begin to judge three spirits in the church and in the world's system. **The Spirit of Indecision:** Because of your failures to make decisions to increase, people are currently failing to prosper. **Spirit of Doubt:** Indecision creates doubt. Your failure to make decisions to increase will cause you to walk in doubt. **Spirit of Fear:** The fear of succeeding and your habits will cause you to fail. I know what things are collapsing. It may look like you're on the back end, but I am putting you on the front-end. Many will not believe, but I am giving you keys to unlock hidden treasures for your taking. Everyone may have access, but due to these three spirits; I have not given them the keys to unlock their hidden treasures.

And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven. Matthew 16:19

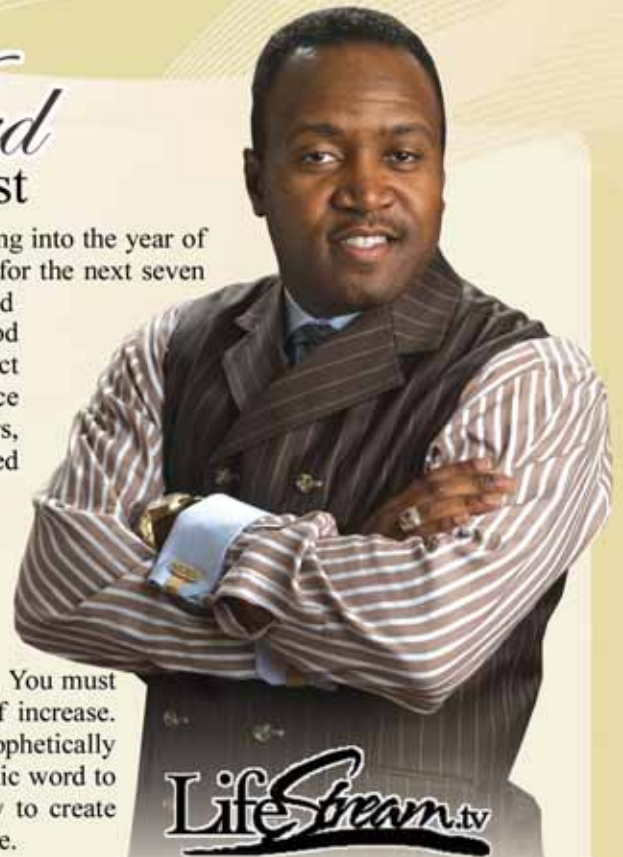

THE END OF THE PROPHETIC WORD

You must live and desire to experience all that God has for you. Start today by removing the spirit of indecision, the spirit doubt, and the spirit of fear from your vocabulary and from your life. When you do this, it will cause you to believe you can go beyond any initial limitation you may have set for yourself.
